PRESS RELEASE

27TH INDEPENDENCE CELEBRATION

The Ministry of Information and Communication Technology would like to inform the public that the 27th Independence Anniversary main event will be held at Rundu in Kavango East Region on 21 March 2017.

As we celebrate 27 years of independence, we should rededicate ourselves to the spirit of unity and patriotism for the love of our motherland. We therefore call upon all Namibians to come in numbers and celebrate Namibia's 27th Independence Anniversary in style and in the spirit of national pride and Harambee.

There will be lots of entertainment including Choreography, music, cultural performances, soccer, and many more.
